

# CREATURE COFFEESHOP

## menu

**we promise it's not overwhelming**

We not only care about the taste and quality of our coffee, but how coffee can bring together the community. We love collaborating with other local businesses and even worked with a local creature to develop recipes for our homemade syrups.

### our most popular drinks

**'āina creature latte**

1 part espresso  
2 parts milk  
a 'lil milk froth

**kōkō creature adult choc milk**

1 part espresso  
1 part chocolate  
2 parts milk

**london fog spritz specialty drink**

1 shot of vanilla syrup  
steeped earl gray tea  
a splash of soda water

## services

**we're a small coffeeshop, but we do fun stuff.**

### CATERING

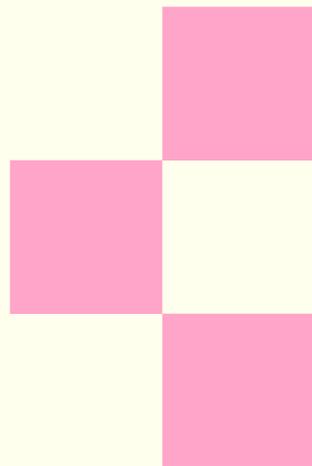

Our menu is customizable to work with your event. Although you may not see something on the menu, ask me! We'll try to make it work.

### MERCHANDISE

We're creatures with taste. In all the ways. We love to source our designs and materials from local artists and shops as much as we can.

## about creature

***/'krēCHər/***

This section is where you'd typically find a definition of the word above. But it's much too long and requires much more of an explanation, which you can find on the "About" page below.
